Develop Ideas

Select ideas, compositions, skills and techniques from your initial work and use them in new ways.

Master Techniques

Use your developed ideas and practised skills to express yourself and create unique pieces of art work.

Line

Short or continuous marks made using a variety of tools. Line can define the edge of a contour or shape and can be straight, curved, broken or continuous, thick or thin.

Shape

Shape is created by enclosing a space using an outline.
The shape of an object or geometric pattern and the shape between objects.

Colour

There are three primary colours red, blue and yellow. They can be used to mix secondary colours: green, purple and orange.

Tone

Differences in light and dark, tint or shade of colour to show the effect of light on colour and form.
Different tones or tints can be made by adding black or white to a colour.

Texture

Describes how something feels, the surface quality of an object.

Pattern

The arrangement of shapes, natural and man-made to create a decorative design on surface.
